Litter Picking Equipment

Support the ever growing Love Solihull litter picking campaign.

Play Equipment

Add or replace a piece of play equipment within your local play area to support and encourage outdoor play for the younger generation.

Bulbs

Brighten up your local park or green space with a display of complimentary flora whilst supporting local pollinator populations.

Trees

Sponsor the planting of a celebration tree through our 'Planting Our Future' team for within your local green space.

Benches & Picnic Tables

Add accessible benches or Picnic Tables to your local park or green space.

Signage

Revamp or create informative signage to your local park or green space, highlighting fun facts such as history of the site or wildlife you can spot.

Bird / Bat Boxes

Supporting your local wildlife with bat and bird boxes in parks and green spaces.

Trail Posts

Add trail posts to your local park or green space to highlight key features to park members such as an orchard. Why not add a rubbing panel too to make them fun and interactive for all ages.
