

It's Love Parks Week (23rd – 1st Aug)

Keep Britain Tidy's annual Love Parks Week is now upon us! During the week ahead, Love Parks Week calls on park visitors to Love, Respect, and Protect our parks; not only during the campaign week and summer 2021, but beyond.

Over the past year, our parks and green spaces have been a vital lifeline to many of us; seeing us through lockdowns by providing scenic backdrops for our activities, from winter walks to summer picnics - our parks have been there.

Love Solihull and Planting Our Future are celebrating this week by showcasing across their social media channels all the hard work they put into our parks and green spaces around Solihull, including our fantastic volunteer litter picking groups who help to keep your parks clean and tidy. We will also be highlighting all the fantastic ways you can enjoy your parks, like taking a walk off the 'beaten track' and venturing into your parks wilder spaces and seeing some of our awe inspiring trees.

Want to get involved? Many park events will be taking place during Love Parks Week, and @LoveSolihull will be promoting them! Such as yesterday's (25th July) Kingshurst Community Picnic in Babbs Mill and Music in the Park taking place in Malvern Park. If you're planning on visiting a park during Love Parks Week, be sure to use hashtags #LoveParks #RespectParks #ProtectParks. You can also visit the Keep Britain Tidy website for more inspiring ways you can get involved and support your parks www.keepbritaintidy.org
