Carpet Bed – School Competition

During this year's **Great Big Green Week**, Love Solihull is launching a competition open to all schools in Solihull to help design our flagship flower bed display in Malvern Park for 2023. The theme for the display fits in with the Council's wider campaign **'Your Future Solihull'**

"Our vision for the future of Solihull is to make sure we are one of the most sustainable, prosperous and inclusive places in the country, helping to lead the fight against climate change. We see the transition to a low-carbon economy as a huge opportunity for the West Midlands region when it comes to new jobs and growth, not to mention a multitude of associated environmental and wellbeing benefits. However, in order to reach our ambitious target of becoming a net zero carbon emission borough by 2041 we need your help. Together, we all need to adapt our lifestyles and behaviours wherever possible to live more sustainably."

Councillor Ian Courts, Leader of Solihull Council

In line with this year's **Your Future Solihull** theme, entries may wish to raise awareness on a range of topics, such as:

Climate Change, Sustainability, Environment, Transport, Travel, Waste & Recycling, Energy, or Technology

The design needs to be simple and bold, but we encourage creativity and imagination. The winning entry will receive £100 worth of gift vouchers for their school and the overall winner will be invited to a presentation where they will receive a 'Love Solihull' goodie bag!

Designs should be submitted on **A3 white paper** with the **entrant's full name, age, class and school** clearly indicated on the entry. The shape of the carpet bed is a half-moon, a template is included below.

The closing date to submit designs is **Friday 16 December 2022**

Email: lovesolihull@solihull.gov.uk (entries should be high-res full colour scanned copy)
